### **RE: DESIGNATION AS AN ANALYTICAL LABORATORY**

This is in reference to your application to the Authority for consideration as a **designated analytical laboratory** as per section 119 of Environmental Management and Coordination Act (EMCA) 1999. The Authority undertook evaluation of your capability to undertake water quality and effluent analysis.

Hence your laboratory qualifies and has in principle been designated to undertake **Water Quality and Effluent Analysis** subject to attached terms and conditions.

However, pursuant to section 119 of EMCA 1999 the Gazettement of your laboratory by name, will take effect once the Authority places a notice in the Kenya Gazette.
